About Me

I am a warm, family-oriented professional who values both tradition and modernity. In my free time, I enjoy reading, classical dance, and experimenting with new cuisines. I believe in maintaining a healthy work-life balance.

Partner Expectations

Looking for a well-educated, respectful partner from a similarly cultured family background who values mutual understanding, growth, and companionship.

Skills & Expertise

Senior Software Engineer, Senior Frontend Developer, Senior UI/UX Engineer, Business Analyst, Product Manager
